

3rd – 12th Graders: Play RUGBY!

Since its inception in 2000, the SYC/West End Girls and Boys teams have won more state championships than any other club in Virginia. In addition, the SYC/West End HS Boys won the Tier II National Invitational Championship in 2016 and eight SYC/West End players formed the nucleus of the MS Boys national champions in 2017.

Now that we have your attention, let's focus on what we are most proud: SYC/West End girls and boys have built courage and learned discipline and demonstrated sportsmanship that honors them, their families, our club, and the great sport of rugby. Our players are regularly selected for high-level teams and many have been accepted to top schools, including all Service Academies. Some have earned college scholarships.

In 2018, SYC/West End hopes to achieve even greater heights and we hope you'll be part of it. The season runs from February through May. This is for 3rd thru 12th graders: no matter your size, speed, or level of athletic ability, we have a place for you!

On-time registration extended to 12 Jan!!
