Partner with Beavers Field and Lancaster Post 11 American Legion Baseball to support baseball in Fairfield County

Beavers Field and Lancaster Post 11 American Legion Baseball are looking for business partners and donors to help us support our 2018 baseball season. Beavers Field has become a pillar in the Lancaster community, hosting numerous events throughout the year and drawing thousands to our community. Post 11 has attracted great young men to its team year after year. These young men go on to become respected members of our communities.

Baseball is very expensive. Actually, it is more expensive than many people realize – from maintaining facilities and field maintenance to uniforms, tournament fees and paying umpires.

We are hoping to raise upward of \$5000 to balance our 2018 season budget. That amount will provide a consistent experience to Beavers Field patrons. It will also help provide our Post 11 team members an experience comparable with other baseball programs while keeping our players fees at a reasonable rate.

Would you please consider partnering with us to support Beavers Field and Lancaster Post 11 American Legion Baseball through a tax deductible donation?

Below are different giving levels and what “stepping up to the plate” with your tax deductible donation could help provide Beavers Field and our Lancaster Post 11 American Legion Baseball team:

- **Home run:** a tournament entry fee and player housing costs: \$1,000
- **Triple:** a weekend of double headers: \$350
- **Double:** a player uniform set: \$250
- **Single:** a weekday game: \$125
