We took away early morning weekend hours and late night weekday hours that are unwanted. A meeting will be asked for to try to negotiate an agreement that both side will accept.

- Jerseys: Discussion about style of jerseys took place
Old style has been ordered for Bantams and Peewees.
The Board has voted in a new logo and new style jersey.
The choice was to go with the old style jersey with the new
Logo for Squirts or to begin phasing in the new style jersey.
Concern centered around families having to buy jerseys 2
years in a row. Vote was 6 for old style, 3 for new style and
3 abstained. Old style jerseys will be ordered for all Squirts
