WEATHER RELATED GAME CANCELLATIONS

All games are weather permitting. NSSC will make every effort to notify families ASAP of any game cancellations. Field closure decisions are made as late as possible to give the best chance for the game to be played, however, sometimes the City of Scottsdale may determine closures ahead of time. NSSC will attempt to reschedule cancelled games during the week, but makeup games are not guaranteed as they are subject to field availability.

VOLUNTEERS

NSSC is a 501c3 nonprofit, community-based organization. We are largely run by a group of parent volunteers.

If you are interested in becoming a Coach or an Asst. Coach for your player's team, please send an email to NSSCrec@gmail.com and let us know. We work with all of our Recreational Coaches to find a practice day/time that works with your schedule.
