II. Treasurers Report

All re-occurring bills have been paid. All invoices for HALO (vendor for Championships) have been paid up so we are ahead of where we were last year. All Association League Fees have been paid and are current.

III. Tournament Report

Scott Harris not present. Well ahead of previous years with regards to planning. All awards and trophies already purchased/ordered.

IV. Schedulers Report

Jim Schlegel: Games moving along well. Reminder that off-line scoring needs to be uploaded within 24 hours of game play.

V. Communications Report

Lisa Lynch: Contact list for each association has been compiled and circulated to membership.

VI. Other Business

Erin Normore new VP of Womens/Girls at CAHA has been appointed.

Season moving along well.

1 Major issued in game which has been served and recorded, reminded that this needs to be recorded properly during the games..

It was suggested that sportsmanship (avoid racking up goals) with lopsided games should be implemented when ever possible to maintain the integrity of the League..

Shultz has been approached by a group of associations in Wyoming interested in playing with in the MSGHL. This brings up the idea once again about the creation of the "Northwest Division" (Jackson Hole) 6 associations that could be involved. This conversation has been postponed to the Spring Meeting.

Shultz suggested a meeting with 12U Front Range teams not already in the league with the idea of divisional play to avoid traveling to the mountains.

Declaration timing with all above is the big concern.

Scoring integrity critical and all parent volunteers must be diligent when doing this. Attention to detail during games can prevent many disputed later in the season.

ADJOURN: 8:40pm
