

Dear Sponsor,

Your Community and the Zimmerman Youth Baseball Association would like to extend an excellent civic opportunity, for you to participate in sponsoring a youth player/team this 2018 baseball season.

Your generous tax-deductible donation will allow those, less fortunate, to participate in organized youth baseball this season! Not only will you be helping a youth but you will also help our organization, continue to grow and provide an opportunity for Youth Baseball, in the Zimmerman area.

It takes a great deal of volunteer time and money to operate an organization. Generous donations from our local businesses are needed for preparing and maintaining fields, replacing worn equipment, uniforms and hardship scholarships for those families that cannot afford to cover the cost associated with baseball.

There are many ways you can sponsor. **Sponsorship information is on the back of this sheet.** Any monetary donation or donation in-kind would be truly appreciated and would help our youth tremendously.

Please contact me with any questions or if you would like additional information about Zimmerman Youth Baseball or other ways to help the association. Thank you in advance for giving our youth a chance to play ball!

Sincerely,

*Amy Daker*
