

# Cosman Memorial Rules

## **TEAMS**

All racers will be ranked into 4- Race Classes. Race Classes are loosely determined by prior Cosman (formerly Calcutta) results. Each 4-person team will be made up of one racer from each class. Teams will then be posted on the morning of the auction, via the online auction.

All racers ski one run through the blue gates and one run on the red gates of a NASTAR type course. Racers will be disqualified if you ski the same course twice. Each individual's times are then added for a combined time. The 3 fastest individual combined times per team will be added for a Combined Team Time.
