

Kroc Center Facility Information

Kroc Center is no longer charging a tailgating fee. They will provide some tables for guests to use, or guests can bring their own tables, chairs and canopies. **Please park in the East lot so Kroc Center regular members (not associated with the volleyball tournament) have access to the main lot.**

Due to recent resurfacing of all courts, please do not bring any food or drink into the playing areas with the exception of water. Failure to adhere to our staff's requests in these matters can result in notification to the AZ Region Ethics and Compliance Committee and potential sanctions. Thank you for your assistance in respecting the independent facilities hosting AZ Region volleyball events!
