CLINIC BREAKDOWN

Mike's Mite/ Squirt Camp

will focus on his unique power skating drills working on balance, edge control,

power, speed, stick handling, shooting, and passing techniques. Players will be broken up according to ability and size. Mike emphasizes circuit training in all three zones.

Mike's Night Clinic with the 2003-2006 players will focus mainly on power skating, positional play, small area tactics, and most importantly, different checking techniques: emphasizing board play, open ice checking and how to absorb a check the correct way.

Goalies will receive special instructions during the clinic. Angles, reflex, drills, post play, and puck handling will be emphasized. The campers will see about 300 shots per session.
