

WISCONSIN VOLLEYBALL

2018 February Coach Chats

Wisconsin Area Coaches —

We hope that you are excited to bring on 2018! This year, our Wisconsin program would like to continue to foster a great community of volleyball coaches in our area by increasing the dialogue between coaches at all levels. To continue to grow the availability of our collective group, our program would like to invite you to join us for this year for one of our **Wisconsin Volleyball February Coach Chats**.

The purpose of these chats are to create a strong connection between our Wisconsin program and Elementary/Middle/High School programs, club volleyball programs, and individuals interested in coaching volleyball. Over the past few years at Wisconsin, we have held our annual spring Coaches Clinic, which we will hold again this spring in April, but we thought it would be a great lead-in to the spring clinic by exploring and interacting with our areas' coaches to discuss topics that would be valuable to our coaches community.

During each individual Coach Chat, assistant coach Gary White will be discussing a given topic that could pertain to individual skills/techniques, practice/season planning, leadership, culture, and other additional topics. Each chat will include a presentation approximately lasting 45 minutes with additional time for questions, answers, and discussions. To allow as many coaches to attend as possible, we have made each one of these Coach Chats free for any coach wanting to attend. We have worked with some of the programs located throughout our area to open their doors to all coaches, so please feel free to attend any of the chats that are in your area. Whether you coach for a specific club or school, please do not hesitate to come join us at any location. The purpose of these chats are to continue to expand our volleyball community, culture, and the quality of our region's coaches regardless of affiliation. The topic for each chat will be listed on the RSVP page for each location as they become solidified.

Since each chat will be held at different locations in the area that have capacity limits, we please ask that you RSVP through each individual location's online registration. This will allow us to, one, send out any information needed prior to the event, and two, be able to let you know if any of the locations' capacities have been reached.

Below is the current list of locations that we have secured for our Coach Chats this spring. We hope you are able to join us!
