I have absolutely loved being a part of AAHA this year. I have found the organization to be a great balance of learning and fun for the kids, and a very positive environment for their growth, both as hockey players and as children. From being a team manager, and on the Hoist the Cup Committee I have been able to work with and get to know some of the great people that help to make AAHA a great organization, and I would love to be a part of that team. I have extensive fundraising and sponsorship experience, and I believe this is an area AAHA can really grow in. There are so many opportunities to help AAHA grow financially, that will allow our children to have more opportunities, and even lower our costs as parents. I have sat on non profit boards in the past, so I have experience doing the behind the scene work that is needed to make an organization grow. I am well organized, and can get things done in a time efficient manner, and am dedicated to the roles I choose to take on. I would truly be honored to have a seat on the board and be able to help AAHA grow as an organization. Thank you for your

consideration.
