

# SPRING BREAK SOCCER CAMP

Napa United 1839 Academy and Staff are very excited to be offering our first Spring Break Soccer Camp. Academy Director Gavin Taylor has run many successful camps for places such as Fulham FC as well as elite talent identification clinics across the USA.

The Position Specific Development Camp will allow all players an opportunity to test themselves in a four-day elite practice environment. Each day will have a new position of focus where all players will be exposed to professional level coaching. There will also be an athlete development block of work before finishing each day with a variety of game play situations including our unique *Dutch Masters* competition & small sided tournaments.

## ***The Napa United 1839 Academy Camp Message***

*'Our camp program will encompass every aspect of elite athlete development. First & foremost we believe in developing good human beings who are dedicated, passionate & hardworking in all that they do, while it is only four days, we believe you will see growth. Secondly we are delighted to offer you access to a highly qualified & dedicated coaching team who have a strong track record in soccer at the highest level'.*
