

## Coordinating Rescheduled Matches

White rescheduled matches should be kept to a minimum, TCSL will allow for rescheduling of matches after the published schedule is released in select circumstances (i.e. coach conflict, majority of players missing, etc.). In all cases, there will be a “cut off” deadline where no reschedules will be allowed with the exception of weather-related reschedules. These instructions are meant to cover the process for clubs working together to determine agreed upon dates for reschedule.

You must be logged in to your [team account](#). If you are unsure of your team account login, contact your club administrator.
