Faribault Summer Ice Program

Dean Weasler would like to invite you to the Faribault Hockey Summer Program to help you become a better skater. This is a local, non-expensive membership that will teach you Power Skating, Agility Skating, Speed, Passing, and Shooting techniques. Would love to see you on the ice this summer for a FUN experience.

PROGRAM DETAILS

The schedule is set up for you to attend as many or few of the ice hours as you would like. Coaches will be available for each of the scheduled ice hours to run kids through drills specific to their needs. Kids will be grouped together to work on specific skills. Small area games will be played when enough players are available.

Caution, even though hockey is offered almost every day, I would recommend going only about 2 and maybe 3 times per week. Don't burn them out of hockey. Association hockey is 5-6 months long during the regular season and we want them there. Enjoy the summer and other activities with them on the other days.

COST: \$175 for the first child (unless you register by April 15th then it is \$150), \$75 for the second player and a max of \$300 per family. Sign-up by April 15th and receive \$25 off.
