

Referendum Learning Opportunity

“Question 2: Athletics & Activities”

Tuesday March 20, 2018

RFHS Auditorium / 7:15 - 8:15 pm

Dear River Falls Activities Parents,

We are excited to invite you to a referendum information night held at River Falls High School on March 20th at 7:15 PM in the auditorium. River Falls Superintendent, Jamie Benson and other community members will share detailed information regarding our upcoming April 3rd referendum.

The first referendum question addresses many of our needed facility improvements to all school buildings and advances the quality of student learning.

The second referendum question improves our facilities for high school athletics, music, and community groups and includes turf and parking expansion by adding parking closer to high school playing fields.

We believe you will be a difference maker in whether or not question #2 is successful.

It is our hope by attending on March 20th that you will have greater knowledge to share with your friends and neighbors and help River Falls schools continue to be a leader in Western Wisconsin both in and out of the classroom.

We ask that you attend and share with others who wish to learn more about the future of our activities and athletic facilities.

At the conclusion of the event there will be an optional high school athletic facility tour. See our athletic areas and needs first-hand to understand the need for investment in our students.

We look forward to seeing you on Tuesday March 20th!

Below is a conceptual drawing of what improvements would be made with the passing of Question 2. The field turf location/size and parking lots would be finalized once passed.
