- 1) Events will be Freestyle and Greco Roman only. Greco Roman will start at the conclusion of Freestyle.
- 2) Wrestlers can attend as many events as they choose
- 3) Events will be open to all USAW ages
 - (a) For the **Youth and Girls divisions**: Wrestlers would be blocked by Weight (no more than 10% difference between highest and lowest) and Age (no more than 24 months' difference between oldest and youngest)
 - ii) Schoolboy, Cadet and Juniors will use USAW weight classes with no weight allowance

Schoolboy/girl	71	77	83	87	90	97	102	106	110	114	119	125	130	136	149	165	187	250
Cadet	88	94	100	106	113	120	126	132	138	145	152	160	170	182	195	220	285	
Junior	100	106	113	120	126	132	138	145	152	160	170	182	195	220	285			

- 4) Entry fee \$30.00. **\$10 surcharge** for not pre-registering. Pre-registration will close at 6:00 the night before. Entry fee covers both styles. If there are enough girls at any event, they will be blocked by age and weight like the youth division.
- 5) Weigh ins will end at the designated time. No extensions of time. Wrestlers may change weights at the scale if they arrive before the close of weigh ins.
 - i) Wrestlers who register in advance but are late for weigh ins are put in the bracket and may weigh in when they get there. If they don't show for their first match, it's a forfeit and they drop to the consolations. If they don't make weight, they may not change weights and are out. Wrestlers who did NOT pre-register can NOT register after weigh ins close, as final brackets will have been drawn.
- 6) Tour events will be part of a point system developed that will be used for 3 purposes:
 - i) Determine an overall champion for the Tour of Florida, combining points from all 4 events.
 - ii) Qualifying for State Teams and Qualifying for stipends for State Teams, (Schoolboy/Girl, Cadet, Junior) for these purposes:
 - (1) Point will be added to Tour of Florida Points to include participation in series, Fr. Devine, State Tournament, Regions, UWW events.
 - (2) Points will also be added to Tour of Florida Points for accomplishments such as returning all American, USA Team members, etc.
- 7) How points are accumulated to determine overall "Tour Champion."
 - a) For Schoolboy, Cadet and Junior
 - (a) Placement is by weight class. Champion is highest scorer in weight. If a wrestler competes in different weights in different events, the points accumulate in the weight in which he/she wrestles. They are not combined. Exception is if a wrestler weighs in at a weight and, because of low turnout or other legitimate reason, competes at a higher weight. He/she will get points in the weight in which he/s he weighed in.
 - b) For younger ages Because we are blocking weights and ages, there will be one set of "Tour Champion" awards given to the top 20 point getters without regard to age or weight class.
