Any goalie in our league may sub in her division or higher in emergency cases.

On a case by case basis and ONLY by first contacting the Division Director, if no goalies in lower divisions are available to sub, permission may be granted to secure a goalie from a higher division if NO OTHER GOALIE from a lower division is available to sub. However, contact and permission from the opposing team official(s) must first be sought. The opposing team official has the right to deny this request, in which case, either the game must forfeited or played without a goalie.

**A team cannot use a "Borrowed Goalie" in more than 25% of its games.
Please refer to the Handbook for more information**
