### Policy:

As of the 2013-2014 School year, incoming juniors and seniors can request to waive the school district's requirement that all Waukesha public school graduates must earn 1.5 credits in Physical Education. This waiver allows student to forego taking the PE elective class in 11th or 12 grade. Student are still required to take Phy Ed-9 and Phy Ed-10.

To be eligible for this .5 credit waiver, a student must be enrolled in a WIAA-sanctioned sport, Cheerleading/Pom's or B/G Lacrosse during the same school year in which the waiver is being used. This does not include clubs and activities.

Per Wisconsin State statute, the purpose of this Physical Education waiver is to allow student to enroll in additional core area instruction once during their high school careers. **A student is forgoing Physical Education to take an extra course in Math, English, Science or Social Studies, beyond the credits needed for graduation. \*if a student has multiple release periods in a schedule, the PE waiver will not be honored.**

**Agreement/Expectations:**

1. If a student is injured during the course of an activity and is unable to participate, the student needs to provide a signed doctor's excuse attesting to the injury and inability to participate. If the injury prohibits the student from completing the 90+ hours of the activity, then the activity will NOT count towards the physical education requirement.

**90+ hours of participation were met.**
