

## For the LOVE of the GAME

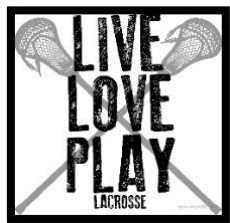

The Clarington Minor Lacrosse Association is not just about lacrosse it is about **community**. It is about coming together and meeting your neighbours, making new friends, learning new skills, having fun and supporting one another.

Travis is not only a Clarington Minor Lacrosse Association player but over the past 3 years he has demonstrated his love of the game by taking on various roles in the CMLA. This past season he coached several teams of young lacrosse players, sharing his love of the game. Travis believes every child deserves the opportunity to play! At Halloween he hosted a haunted house raising money to support a child that may not have the financial ability to play. Travis was able to raise \$250!

Travis is the perfect example of what the Clarington Minor Lacrosse Association strives to be!

**We are asking you to help us give all children the opportunity to play and to strengthen our community.**

I wish to support my **community!**
