To Our Valued Soccer Community,

As we all navigate our way through these challenging times, the Sylvan Lake Blizzard Soccer Club Board of Directors has the health and safety of its members at the forefront of all decisions. At this time, the unity of our community is vitally important, and we want you to know that we are all in this together.

As a result of the uncertainty facing families during the COVID-19 pandemic the Board of Directors has come to the extremely difficult decision to cancel the 2020 outdoor season. This decision was not made in haste but with sensitivity for the intricate difficulties facing families in Sylvan Lake and beyond. Every action that we make as a strong community counts towards our future together.

In an effort to lessen the burden on families, the Board has made the decision to fully refund all registrants; no registration fees will be held or carried over to the 2021 season. These refunds will be made via SportsEngine and returned to the original payment method used when registering online. In the event that a funding partner (Jumpstart or KidSport) was utilized the full amount received on your behalf will be returned by the Club.

In closing, the Board wishes to express their immense gratitude for a soccer club full of members with heart and commitment to the sport. With great optimism we look forward to seeing all of you for the 2021 season which is sure to be full of excitement and new things coming your way! Stay healthy and we can't wait to see you on the fields in 2021!

Sincerely,

Board of Directors

The Sylvan Lake Blizzard Soccer Club
