Here's a look at how things turned out for our athletes on the court, course, and field.

## Spring Weather

With the spring season comes crazy spring weather! Please check [www.continental-league.org](http://www.continental-league.org) for updates and changes to games due to weather.

## SPRING 2017-18 PREVIEW

**GIRLS TENNIS** - The 2018 Titan Netters return five players with previous varsity experience. Kira Acosta, Sr., and Aimee Marshall, Soph. will lead the Titans into the Continental League Season. Noelle Grant, Jr., Becky Schamp, Sr., and Rebecca Perea, Jr. will also give Legend leadership on the court. Currently, Legend has 55 tennis players on the team. The Titans are very hungry to earn back the Parker Cup as well as compete in every match. Honoring the game, competing with desire, and supporting each other can result in the Titans making strong showing in the Regional and State Tournaments in May.

**GIRLS GOLF** - The 2018 Legend Girls Golf team has quite a different look than in past seasons. With

seventeen players on this year's squad, there are many new faces as we start hitting the links. Of course, there are a few familiar faces remaining as the Titans return two state qualifiers from last year's team (seniors Maddy Dunkle and Melia Buckton) along with juniors Morgan Cobb and Kenzie Cash. There are two underclassmen that will need to be watched this season (sophomore Clara Hosman and Freshman Elan Fleetwood) as the girls battle for the five varsity positions. As far as the JV team, it is totally wide open as numerous players jockey for the six positions available. Stay tuned as the Titans open the season at Spring Valley Golf Course on March 15 and end the season at the state tournament on May 21-2.
