Such DCSAA requests will include the reasons supporting the request and will specify the record or records needed for review. Failure to provide consent upon written request from the DCSAA will result in the student-athlete whose eligibility is being questioned to be deemed ineligible to participate in any official contest of a sanctioned DCSAA sport or activity.
- 2701.3 The eligibility certification for students to participate in interscholastic athletics shall occur as follows:
- (a) Principals shall be responsible for determining the eligibility of the students participating in interscholastic athletics by submitting a master eligibility roster by sport to their school or LEA athletic director fourteen (14) days before the date of the first official contest for each team. The LEA and/or school athletic director must submit their eligibility rosters to

the DCSAA seven (7) days before the date of the first (1st) official contest for each team.

Member schools and/or LEAs shall consider such information to be "directory information" in accordance with 34 CFR § 99.31(a) (11), and shall provide this information to the DCSAA unless the custodial parent/custodial guardian and or if the student-athlete is 18 years of age or older has opted out of allowing directory information disclosure and refuses to sign a consent authorizing disclosure for this specific purpose. Where the member school and/or LEA is not authorized to disclose the above information on the master or supplemental eligibility roster, the applicable student-athlete shall not be eligible to participate in a DCSAA sanctioned sport or activity

A petition for the transfer of guardianship or custody, an affidavit, or a notarized statement signed by the affected parties shall not be sufficient to render the student eligible to participate in interscholastic athletics. For purposes of eligibility, a child placed within CFSA custody is eligible to participate in interscholastic athletics immediately at the school they attend;

For this exception to apply, the receiving school must have appropriate documentation including: a dated and school stamped student application

from a previous school year; a letter in response to the application notifying the student that they were not accepted; and a letter dated after the start of the school year offering the student a seat in the receiving school or a notification of admission from the lottery school.

- (m) The student is a qualified foreign exchange student under § 2701.8 (o) or an international student residing in the District with his or her custodial parent(s).

Documentation for financial hardship should include proof of extreme financial hardship caused by significant and unexpected reduction in income or increase in expenses; and a signed release from both of the

principals or head of schools of both the sending and receiving schools that the student is not transferring for athletic purposes.

- (o) A student who has not previously participated in the sport for which they are interested in competing; who is released by a proper school authority from a sending school; and has completed the registration process at the receiving school shall be eligible immediately upon registration provided they meet all other DCSAA eligibility requirements. The receiving school must submit, to DCSAA, an electronic or signed statement from the athletic director of the sending school that states the student did not participate in the specific sport the preceding year in which they wish to participate.
- (p) The student-athlete has the option to submit a Student-Athlete Transfer release form which must be signed by the custodial parent or the custodial guardian of the student-athlete, the athletic director and principal of the sending school and the athletic director and principal of the receiving school stating that the transfer is for non-athletic purposes in support of their transfer/waiver request.

2701.6 The period of ineligibility for students that transfer absent an exception shall be one (1) calendar year commencing with the first (1st) day of official attendance in the receiving school.

- (e) For the protection of their team's won/loss record, the student whose eligibility is in question may not play in any school sponsored interscholastic athletic competition until the DCSAC AAP has issued its final eligibility determination pursuant to its review.
- (f) In the event a member requires forfeiture of a contest already played, the AAP shall review the decision affirming or denying the forfeiture and shall provide the results of its findings and recommendations to the member school not later than five (5) school days after the date the matter is reported to the DCSAA.
- (g) If either the member school or the LEA fails to provide the results and supporting documentation required in this subsection before the student participates, the DCSAA may on its own initiative refer the case to the AAP for a final decision regarding eligibility and the forfeiture of contest.
