Linda talked about the judges involvement at Training Camp.

The judges that are involved will get CPE hours.

There will be a classroom portion again (everyone likes this part of camp)

There will also be a spreadsheet so the judges can sign up for specific events
Kim suggested a portion be set aside for Team Building.
Bryon thought maybe not do a long lunch, bring in food instead and do team building at that time.

Put on your thinking caps about what and when.

State meets should be the 23/24 of March 2013
Regionals will be April 12-14 @ Gym Quarters.

Gymnastically yours,
Pam Tweten
