

# ALODIA REFERRAL PROGRAM

## WHAT IS IT?

One of the biggest compliments our customers can give us is when they tell their family & friends about us! Our referral program is a way to say “thank you” and give you a little something extra for being such a wonderful customer.

## HOW IT WORKS

It's quite simple! The BEST part is there is no limit to how many customers you can refer! Get rewarded every single time!!

Step 1: Refer any **NEW** customer to an Alodia program

Step 2: Have them put your name in the “referred by” box in the registration

\*You will receive an email from Alodia once the **NEW** customer is **VERIFIED** as a **NEW** customer and signed up for the program

Step 3: Answer the email with what program it is that you want the discount for, and we will provide a discount code for you

Step 4: **REPEAT** FOR ADDITIONAL SAVINGS! \$\$\$
