Orange Group Summer Session 2018

Welcome Swimmers and Parents!!!

The Terrapins Swim Team wishes to welcome you to the 2018 Summer Session for our Orange Group. We look forward to working with you over the next few months and know that you will find our program educational, challenging and loads of fun!

The staff has once again planned a terrific season and are well prepared to advance your skills to the next level! Our staff works very hard to provide you with the best learning environment possible. We know you will find the program beneficial as so many participants previously have.

The Terrapin Age Group Philosophy

The Terrapins take a unique approach with the young developing age group swimmer. The focus is on the **long-term development** of each athlete realizing that all athletes are different and will progress at their own rate. With this approach, **attention is given to detail** and the swimmers can take a more relaxed approach to their participation in the sport of swimming. We encourage our younger swimmers to participate in other activities away from the pool. This is done through the use of:

- Extensive stroke drill progressions.
- Informational meetings.
- Terrapin educational program handouts.

Group Descriptions

Orange Group: (6& up)

This group is for the beginning level swimmer with previous swim lesson who have graduated from swim lessons and are interested in trying out the swim team experience. Swimmers must be able to do 25 yards of freestyle or backstroke without assistance.

This is not a learn to swim program. Swimmers in this group will be focusing on developing the necessary skills needed to set a foundation for the development of the four competitive strokes.

_Questions—Contact Coach Cindy at swimbronc@gmail.com

Swimmers should have completed advanced swim lessons before enrolling in the Orange group program. Please contact Coach Cindy for an in water evaluation if you are a first time Orange group applicant.
