* **NEW: Artistry Class** (Beta-FS 10) In this class, skaters will learn the basics of choreography, presentation and performance. Each week, the class will explore a different style of music (classical, tango, jazz, etc.) and help skaters improve their artistic expression. In addition, the Artistry Class will address how artistry and presentation affects scores in both USFS and ISI competitions.

- Skills addressed in the class include:
- Facial expressions
 - Body movements
 - Connecting steps and movements
 - Posture and carriage
 - Music interpretation
 - (ina bauers, spread eagles, etc.)
 - Tempo and rhythm
 - Basic program construction

** **Practice ice for Moves in the Field, ISI Dance Steps, Footwork only.** Skaters can work on their own or with their private lesson coach on moves in the field, dance steps and footwork programs, individually or in small groups (semi private lessons). NO Jumps or Spins allowed. This is not a class.

Due to the cost of summer ice, if any session seems as if it won't reach a minimum number of skater, it will be cancelled.

Those who contracted for those session will be notified and be allowed to contract onto a different session without penalty.

*** High FS skaters (4 & Above) will be offered the opportunity to pay a higher rate to keep a session before it is opened up to ALL FS levels.**

Registration is available ONLINE at www.sffsc.com - May 16th DEADLINE
