The new competitive structure has proper division placement and opportunity for teams to advance. This maintains EDP's standard of providing a competitive game each week.

#4
MORE PATHWAYS TO NATIONAL COMPETITIONS
We are focused on providing you with more opportunities to get to the top. Participating clubs and teams will have more pathways to the US Youth Soccer National League and Regional/National Championships.

#9
PRIORITY SHOWCASE OPPORTUNITIES
Participating clubs will have priority showcase opportunities with National League partners, such as Bethesda Premier Cup and Disney Soccer Showcase in addition to National League EDP Showcase events. NL Showcases don't conflict with DA or EDP Showcases, which means the best college coaches can attend, and there are more chances than ever to be recruited.

#5
IMPROVED SCHEDULE ALIGNMENT BETWEEN LEAGUE, CUP, AND SHOWCASE PLAY
US Youth Soccer State Cup and EDP's scheduled league games will be strategically aligned to reduce scheduling conflicts. In addition, EDP's new affiliation with US Youth Soccer greatly improves coaches access to education and career development.

#10
EVERYTHING IS SETTLED ON THE FIELD
The structure is simple and clear. Top teams advance. There are no off-field politics.
