Scholarships

The OK Energy FC Scholarship Assistance Program is to provide players and families the opportunity to receive a scholarship from the club during times of financial need. Scholarship funds may be awarded to help offset monthly training fees only. The Scholarship Program does not offer funds to cover registration fees (\$275), membership fees (\$120), uniforms, tournament fees, or other soccer related expenses.

Please find the Scholarship Guidelines and Application at www.blitzunited.org.

Approval of a scholarship mandates the player is committed to the club for the entire seasonal year, will participate in all games, practices, scrimmages, and team activities, unless school or religious events conflict. Additionally, the player will participate in all team fundraisers. Our monthly training fees are a one time fee, that we give our families the option to payout over 12 months. **Player will owe the full amount of the scholarship if player quits, or seeks a release from the club before the seasonal year is complete.**
