

**Oklahoma Energy FC  
Scholarship Information**

Dear OK Energy FC Parent:

The OK Energy FC Scholarship Program was developed to provide players and their families the opportunity to receive a scholarship from the club during times of financial need. The program provides scholarship funds to help offset part of the expenses associated with playing soccer. Scholarship funds may be awarded to help offset the monthly training fees. The Scholarship Program does not offer funds to cover registration fees (\$275), membership fees (\$120), uniforms, tournament fees, or other soccer-related expenses.

OK Energy FC has limited funds available for scholarships. Scholarship applicants must first meet the financial qualifications before being considered for a scholarship.

Scholarships will be awarded based on availability of funds. There is no guarantee that qualified applicants will receive scholarship monies.

\*Approval of a scholarship mandates the player is committed to the club for the entire seasonal year, will participate in all games, practices, scrimmages, and team activities, unless school or religious events conflict. Additionally, the player will participate in all team fundraisers. Our monthly training fees are a one time fee, that we give our families the option to payout over 12 months. **Player will owe the full amount of the scholarship if player quits, or seeks a release from the club before the seasonal year is complete.**

**Training Fee:**

\$1080 per year, paid at \$90 per month over 12 months.

**Scholarship Guidelines:**

Household income should be below the Reduced Price Meals (school meal plan) level per the U.S. Department of Agriculture (see attached chart) to be considered for a scholarship.
