

FARGO Iowa Women's Wrestling Q & A:

SIGN-UP

How much does it cost to go to Fargo?

\$550 for 1 age group (cadet/junior) or \$750 for both

Why do I have to pay \$200 now?

This money assures your spot on the team, takes care of the uniform package and raffle tickets.

What are these raffle tickets?

Each ticket is sold for \$20. They offer the person whose information is completed on the stub a chance to win an all inclusive trip to Mexico for a week for two people (minus travel to and from Mexico). SELL THESE TO DEFRAY THE COST OF THE TRIP. Turn the stubs in at camp.

When is the rest of the money due?

NO later than Camp check-in. This gives you over a month to sell your tickets. You will not be admitted to training camp unless the team fee is paid in full!!!

Where does this money go?

Over \$200 goes toward the uniform package and the cost of printing the raffle tickets. (DEPOSIT) The remainder of the money goes toward camp room and board, lodging in Fargo, Entry Fees per style of competition and a small stipend for the coaches who work camp and the tournament.
