Conflict in Jerseys?					
Away Team CHANGES					

Currently all I-Model games have a possible issue with teams that have the same Jerseys.

Rules & Regulations states the AWAY TEAM must change. Game sheet Point #5 states the HOME TEAM must change. The correct answer is AWAY TEAM must Change.

Currently working with Ontario Soccer to change the game sheets to follow the Rules & Regulations.

Lightning Safety and Severe Weather Policy

*"The policy mirrors the **30-30 rule** as directed by Environment Canada. The **30-30 rule** should be known and understood by all involved in the game. When you see lightning, count the time until you hear thunder. If this time is thirty (30) seconds or less, seek proper shelter. Wait thirty (30) minutes or more after hearing the last thunder before leaving the shelter. If you cannot see the lightning, just hearing the thunder is a good back up rule".*
