

What is the Illinois Premier Alliance?

The Illinois Premier Alliance is an alliance of like-minded, community based soccer clubs. Rather than form one mega-club, each club within the alliance retains the right to manage their club in the manner they feel is best for their members. The main objective of the alliance is to offer mutual benefits to the member clubs that are greater than what they might otherwise be able to achieve on their own.

What Clubs are Included in the Illinois Premier Alliance?

In our inaugural year (2017-18), the IP Alliance included Arlington Aces Soccer Club, FC Hawks, Skomor Soccer Club, and Wheeling Soccer Academy (WSA). For the 2018-19 soccer year, SAA-Sports Club United, Joga Bonito SC, and Northern Illinois FC have been added to the alliance. And for the 2019-20 soccer year, Northern United FC and Kaneland SC have been added.

How Does the IP Alliance Select Team Work?

Illinois Premier will form Select Teams in various age groups (usually U12 and older) to compete in higher level tournaments or leagues. Players for these teams are selected by multiple coaches from our member clubs, and players who are invited to participate on one of these teams should consider it an honor! These IP teams will not really practice together much, as all players will get their training with their normal team. The IP Select team is an opportunity to play at a higher level than our normal league, to offer an additional high level opportunity for our players that are looking for the challenge of playing at the highest level.

Is There a Cost Associated With Illinois Premier Alliance?

Yes, but we do our best to keep those costs to a minimum. If a player is chosen for one of our Select Teams, we will only charge each player the amount that will cover the cost of a uniform (2 jerseys, 1 pair of shorts, 1 pair of socks), the league/tournament fee, and a small stipend for the coach of the team.
