Dear Elk River Youth Football Association and Community of Elk River,

I sincerely apologize for my actions with the Elk River Youth Football board. *They entrusted me as their treasurer from August 2011 to May 2017, and I broke that trust. I am very embarrassed and ashamed. I have always taken responsibility for this choice and have made it right and whole by repaying all the money that I took.*

Again, I apologize to the Elk River Youth Football Association and to the community of Elk River.

Sincerely,

Jennifer Bahr
