INDEPENDENCE BASEBALL GRAND SLAM CLUB

Independence Supporters and Friends,

Potential Sponsor,

This is a very exciting time to be a part of Independence baseball. As a former student-athlete for the Patriots and now the head baseball coach, I am extremely excited for the potential this program can achieve. With the passion and conviction from the players, coaches and parents, along with the support from the Mint Hill and surrounding area, the sky is the limit for this program. Realistically however, one of the challenges that every school faces is trying to compete athletically on a limited athletic budget.

It is our goal to build a state contender that produces outstanding student-athletes, both on-and-off the field. We desire to present a product that our community is proud of. Part of this is creating a baseball facility here at Independence that is second to none. Last season funds from sponsors made it possible to artificial turf around home plate and buy one of the best pitching machines on the

market. This season we are looking to construct a covered hitting facility that would be one of the best in the state. Materials alone will cost approx. \$20,000.

We ask for your assistance in order to accomplish our program goals. Your donations of time, equipment, labor or funds will go directly to the Independence baseball program and will benefit current and future players.

With your help, we hope to create a tradition here at Independence that we can all be proud of.

Thank you in advance for your support, and GO PATRIOTS!
