Second year	= \$35 per game
Third year or more	= \$40 per game

Motion first by Dave. Motion second by Brian.
A unanimous voice vote was taken in favor of the motion.

5. Committee Discussion

a. Time/length of meeting (too much time)

- 1. Committees meet and report back
- 2. Board votes

Jim asked that these meetings be more compact and more timely. Staying on focus and not getting side tracked on topics will be needed going forward.

Jim reminded Board members of the role of the committees. Members are to meet, make decisions within the committee, make a recommendation to the Board as a whole, and then go to a vote. Jim asked for active committee members; get the information and then follow through, which is very important to keep good relationships. Jim asked committee reports to be clear and concise so that motions can be made with a vote to follow. Jim asked for questions or concerns on this topic, and there were none.

Jim indicated Chevy Youth Sports, through the local Spitzer Chevrolet dealership, will sponsor NHAA again for the 2023 season. This yields a \$500 donation plus a sign-and-drive. A test drive at the local dealership brings in a donation to the NHAA. Jim asked for members to participate and promote this opportunity.

In addition to sponsorship, Jim indicated Chevy Youth Sports donates equipment needed by an organization. Jim indicated that for the 2023 season, three (3) sets of catcher's gear were ordered through this donation process. Updating catcher's gear is always a goal for the organization and this new donated gear is really nice. Jim also indicated more first aid kits were ordered through this donation process since this is important for coaches to have at the field of play. Jim asked if current first aid kits could be reviewed and restocked where applicable, especially restocked with two (2) crushable ice packs. A brief discussion was had regarding securing these ice packs for approximately 40 first aid kits, as well as having extras for the storage shed. Brian will research this and report back.

Andy Piskula referred Board members to a spreadsheet sent by Kenny earlier in the day, which asked for volunteers for each task (i.e. picking up equipment from storage shed, helping at stations, etc.). Jim inquired about specific drills for the clinic and Andy Piskula indicated the four (4) stations outlined on the spreadsheet. Andy Piskula asked for presence from the Board at the clinics. Andy Piskula indicated that specific drills for each of the four (4) stations has not been planned out yet. Melinda indicated she will help manage the transition between sessions and the players waiting for check in. Melinda offered to take pictures of the event as well.

Chad pointed out that sponsors on the back of the spirit wear products was not offered as part of the sponsorship program for this season, but could possibly be done in future years.
