

LETTER FROM THE BOARD OF DIRECTORS

August 21, 2020

To Our West Yorba Linda Little League Families,

Again, we would like to thank our families for your patience during these unrepresented times. The Board of Directors has been busy monitoring information regarding the Coronavirus (COVID-19) pandemic as it relates to our annual fall baseball season, also known throughout District 56 as Training-And-Development (TAD). The Coronavirus (COVID-19) pandemic has created a tremendous amount of uncertainty in our lives and youth sports is not immune to this uncertainty.

As we have stated before, the safety and well-being of our families continues to be our highest priority. Staying true to that statement and given the continued uncertainty surrounding the Coronavirus (COVID-19) pandemic and how it relates to youth sports, *the Board of Directors has decided to cancel our 2020 fall baseball season.*

While we understand that this may not be the news that many of you were hoping for, we would like to assure everyone that this decision was not made without an enormous amount of dialogue. We realize that youth sports provide a form of normalcy for our children during this extraordinary time, however, the health and safety of our players and their families is of utmost importance.

We thank you for your understanding as we navigate through this challenging time.

Please continue to visit our website at www.wylll.com to stay updated.

Until we get back to baseball, please stay safe and healthy.

Sincerely,

WEST YORBA LINDA BOARD OF DIRECTORS
