

# 2019 CANCEL & WEATHER POLICY

The Northstar Invitational Cancellation Policy is as follows:

- **Upon Registration:** \$125 deposits are entirely non-refundable upon transaction for ANY/ALL REASON (to include injury, unforeseen conflicts, etc.). Payment secures an individual's specific spot in the limited Invitational, at the expense of another athlete, and administrative costs are incurred upon registration.
- **Post Balance Charge (March 1st), before May 1:** General Cancellation will result in a \$250 charge, and the refund of all remaining funds paid. A full refund, less the \$125 deposit, will be given to any athlete with written proof of major injury from a medical professional.
- **May 1:** No general refunds will be given on or after May 1, due to the process of highly customized costs incurred on behalf of registered Northstar athletes. Any athlete with written proof of major injury from a medical professional will be given a refund, less a \$250 administrative charge.
- **July 1:** No refunds are available for ANY REASON (to include injury, unforeseen conflicts, etc.) on or after July 1. Athletes who cancel on or after July 1, will be provided with their custom gear upon completion of Northstar.
- **Weather Policy:** The Northstar Invitational will make every effort to ensure that all sessions are conducted as scheduled. However, as the safety of our athletes is the highest priority, Northstar reserves the right to postpone or cancel session(s), or a portion of session(s) due to inclement weather. In the event of weather delay, Northstar will explore and prepare all available avenues to ensure alternatively valuable session time, but cannot reasonably guarantee all on-field time. Participants understand that there is inherent weather risk associated with an outdoor camp.

[PLEASE NOTE: You have read and agreed to this policy during the registration process]
