

# RAMS Hockey Locker Room Policy

In addition to the development of our hockey players and enjoyment of the sport of hockey, the safety and protection of our participants is central to RAMS Hockey's goals. RAMS Hockey adheres to USA Hockey's SafeSport Program as a means to help protect its participants from physical abuse, sexual abuse and other types of misconduct, including emotional abuse, bullying, threats, harassment and hazing. To help prevent abuse or misconduct from occurring in our locker rooms, RAMS Hockey has adopted the following locker room policy. This policy is designed to maintain personal privacy as well as to reduce the risk of misconduct in locker rooms.

At Cedar Rock Sports Plex there are 6 locker rooms available for our program's use. Each of the locker rooms has its own restroom and or shower room. Some teams in our program may also occasionally or regularly travel to play games at other arenas, and those locker rooms, restrooms and shower facilities will vary from location to location. RAMS Hockey team organizers will attempt to provide information on the locker room facilities in advance of games away from our home arena. At arenas for which you are unfamiliar, parents should plan to have extra time and some flexibility in making arrangements for their child to dress, undress and shower if desired.

## **Locker Room Monitoring**

RAMS Hockey has predictable and limited use of locker rooms and changing areas (e.g., generally 30-45 minutes before and following practices and games). This allows for direct and regular monitoring of locker room areas. RAMS Hockey requires two adults with cleared background checks who are SafeSport certified to monitor the locker room at all times. All of our coaching staff is certified, and teams may have parent volunteers assist with monitoring after they have similarly been certified. RAMS Hockey encourages each team to have two designated volunteer locker room monitors in addition to the coaching staff for each team if possible.

We conduct a sweep of the locker rooms and changing areas before players arrive, and two coaches or voluntary locker room monitors (each of which has been screened) will be posted in the locker rooms and changing areas during periods of use. They will leave the doors open only when adequate privacy is still possible, so that only participants (coaches and players), approved team personnel and family members are permitted in the locker room. Team personnel will also secure the locker room appropriately during times when the team is on the ice. In the event that only one locker room monitor is present, they will stand in the doorway with the door open until another locker room monitor arrives.

## **Parents in Locker Rooms**

Except for players at the younger age groups such as Learn-to-Play/Learn-to-Skate and 6U/8U, we discourage parents from entering locker rooms unless it is truly necessary. If a player needs assistance with his or her uniform or gear, if the player is or may be injured, or a player's disability warrants assistance, then we ask that parents let the coach know beforehand that he or she will be helping the player. Naturally, with our youngest age groups it is necessary for parents to assist the players getting dressed. We encourage parents to teach their players as young as possible how to get dressed so that players will learn as early as possible how to get dressed independently. In circumstances where parents are permitted in the locker room, coaches are permitted to ask that the parents leave for a short time before the game and for a short time after the game so that the coaches may address the players. As players get older, the coach may in his or her discretion prohibit parents from a locker room.

### **Mixed Gender Teams**

Some of our teams consist of both male and female players. It is important that the privacy rights of all of our players are given consideration and appropriate arrangements made. Where possible, RAMS Hockey will have the male and female players dress/undress in separate locker rooms and then convene in a single locker room before the game or team meeting. Once the game or practice is finished, the players may come to one locker room for a team meeting and then the male and female players proceed to their separate locker rooms to undress and shower, if available. We understand that these arrangements may require that players arrive earlier or leave later to dress, but believe that this is the most reasonable way to accommodate and respect all of our players.

### **Cell Phones and Other Mobile Recording Devices**

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras, are **not permitted** to be used in the locker rooms. This applies to ALL persons in the locker room, including coaches, players, and parents. If phones or other mobile devices must be used, they should be taken outside of the locker room.

### **Prohibited Conduct and Reporting**

RAMS Hockey prohibits all types of physical abuse, sexual abuse, emotional abuse, bullying, threats, harassment and hazing, all as described in the USA Hockey SafeSport Handbook. Participants, employees or volunteers in RAMS Hockey may be subject to disciplinary action for violation of these locker room policies or for engaging in any misconduct or abuse or that violates the USA Hockey SafeSport Policies. Reports of any actual or suspected violations, you may contact the RAMS Board who will address the matter with the proper authorities.
