

## **2020 Summer SUNDAY Playoff Schedule**

### **Summer SUNDAY 2020 Playoff information, dates, and format for ALL divisions:**

- Every team makes the playoffs. This is a single elimination event.
- Seeding will be posted the Monday (8/17) morning before Round 1.
  - When teams finish with the same number of points we will use the tie breaking formula as outlined in the USABL rules (rule #24) to determine proper seeding.
- **You will have until the MONDAY (8/17) prior to Round 1 to play any makeup games in order for them to count toward your playoff seeding.**
- All players must have 5 games or 21 innings played to be eligible for the playoffs. No guest players will be allowed in the playoffs.
- If we are notified with enough notice that a team is not participating in playoffs, we will adjust the seeding accordingly.
- **All Saturday playoff games must start by 2pm** in order for the game to be turned around for the next Round on Sunday. NO EXCEPTIONS.
- **All games must be played on or prior to the scheduled playoff date.** There is no wiggle room to reschedule. **We cannot postpone playoff games for any reason other than weather.**
  - ***If you cannot play on the scheduled playoff dates, we will respectfully have to move forward without your team.***
