

Membership

Orono has an active and strong Booster organization that is rich in tradition, providing excellent support for our football program. This tradition of excellence is made possible through the generous support of its members. Your support helps Orono Football create a program that is fun, safe and memorable for players, coaches, families and fans alike. We count on every Orono Football family to participate in the club by making a tax-deductible donation, getting involved and enjoying the experience along with your son(s). Your donations and volunteer hours help support all of our team events along with various expenses for coaching salaries, new equipment, etc.

Your financial support and time volunteering is critical to the success of our football program and is very much appreciated.

Volunteers

Volunteers are always needed and all parents are asked to help. Without your assistance many of these events would not happen.

Online sign-ups can be found on the team website and at the following link:
<http://www.oronofb.org/parentpage>

Team Website

The team website: www.oronofb.org

You will find the team calendar, photos, updates, game schedules, sign ups and much more.
