

## Tigers AAA June/July Skills Camp

We are happy to announce our AAA June/July Skills Camp for 2001-2007 birth years. This is a revised version to meet current Covid-19 directives from the local governing bodies.

This will be a six-week training with three weeks in June (June 8-June 25) and three weeks in July (July 6-23) that will allow players to skate twice weekly for 12 sessions.

Training will be conducted in a sixty-minute semi-private format with no more than ten players and two coaches on the ice each session. In the event directives change we may be afforded to combine certain sessions in July but will communicate as we get updates. Building off of our very successful May skate's players will work on small area skills and skating development for the upcoming season. The program will start June 8<sup>th</sup>, slots are limited and expected to sell out quickly. Players registered will be notified by email with specific group assignments and ice times by the weekend.

We appreciate your patience as we await our next directive from the state office and in turn rink guidelines which may cause minor adjustments. The sample scheduled times below may change slightly based off participation numbers. We continue to offer the highest quality of on ice development and the best possible communication as we receive information and ice times for our summer program.

All sessions will be at Sertich Ice Center.

**We will have specific safety guidelines which will be provided with group assignments. Please note that parents and spectators will not be allowed in the facility to conform to current facility directives. Players will be allowed to arrive 15 minutes prior to assigned session and must leave the facility immediately following the conclusion of each ice time.**

Camp will run for 3 weeks June 8 – June 25 and 3 weeks July 6-23.

Cost – \$425 for 12 Sessions

**This does not include off ice training as gyms are not anticipated to open for this camp.**

Ice Times – Players will be assigned to specific groups and will skate either Mom/Wed or Tue/Thur. Ice times will begin as early as 3:00pm (older skaters) and go through 8:30pm.

**Players registered for the Spring Camp that chose to roll over registration do Not need to re-register. We recognize there is a financial difference between the two camps and will communicate / process refunds for the difference in the coming weeks or look at options to apply to your Tigers season account.**
