Wyandotte County Sports Association

Wyandotte County Sports Association, Inc. (WYCO) is committed to promoting amateur athletics among elementary, junior high and senior high young people of Wyandotte County. WYCO is committed to encouraging the participation of adults in juvenile athletic programs as managers, coaches, and sponsors. We realize that the value of amateur athletics is not the score of the individual contest but rather the values learned by participants in the pursuit of the game.

WYCO is an Not-For-Profit, Kansas corporation. Policies and procedures are determined by an elected Board of Directors, who serve a three-year term. The annual membership meeting is held in September of each year. The programs are implemented by program committees mad up of volunteers.

Since 1960, WYCO has been providing the youth of Wyandotte County the opportunity to play competitive and recreational baseball and softball. Every attempt is made to place a child on a team and give them playing time in each game.

The following rules, supplemented by the Official Rules of Baseball, govern play and conduct of players and team officials in all league activities. These rules have as their basis, the development and teaching of good sportsmanship with fair play. The Baseball Committee shall be the interpreter of these rules.

The complex offers a variety of food and beverage items at the concession building, located in the center of the park near Field 3. The concession stand operates from park opening to closing.

Admission to the complex is \$2.00 per person 16 years and older for league activities. Price of admission is subject to change during tournament or non-league events.
