H. Conference Play-Offs Super Bowls/ Championship and Cheerleading competition.

1. 14u, 12u, 10u and 8u Divisions and Senior, Junior, Micro and Mini Cheer Divisions

a. Play-off teams will be seeded one (1) through six (6) based on their final season point totals. In the event there is a tie for a play-off position, the tie shall be broken as follows:

1. Regular Season, head-to-head competition between the tied teams; the winner will receive the higher position ranking. NOTE: In order for the head to head tiebreaker to be applied to more than 2 teams, each of the teams involved would have to have played each other in the regular season. Example 1: Team A, Team B and Team C have identical records. If Team A played Team B but did

not play Team C, the head to head tiebreaker would not apply and the next tiebreaker (record among common opponents) would be applied. Example 2: Team A, Team B and Team C all have identical records. Team A defeated Team B but lost to Team C. Team B defeated Team C but lost to Team A. Team C defeated Team A but lost to Team B. This means they all have a 1-1 record in head to head competition, the head to head tiebreaker would not be applicable and the next tiebreaker (record among common opponents) would be applied. Example 3: Team A, Team B and Team C have identical records. Team A defeated Team B and Team C in the regular season. Team A would hold the head to head tiebreaker over Team B and Team C in this scenario. The tie between Team B and Team C would then be broken using the next tiebreaker (record among common opponents) as the tiebreaking procedure would not revert backwards and repeat head to head again.

2. Record among regular season common opponents; the winner will receive the higher position ranking.
3. Strength of victory. The teams playing the strongest schedule, as determined by adding the total number of wins of the opponents that they defeated during the regular season, not the total number of wins of their opponents.
4. Strength of schedule. The teams playing the strongest schedule as determined by adding the total number of wins of their opponents will receive the higher position ranking.
5. A coin toss or blind draw: The winner will receive the higher position ranking. If two teams are tied for position after all the above remedies have been applied, a coin will be tossed. The team traveling the furthest to the site of the coin toss shall call heads or tails. If more than two teams are tied after all the above remedies have been applied, a double blind draw shall be conducted. The numbers 1, 2, 3 (or more) shall be written on paper and be sealed into individual security envelopes and placed into a container. Each team, in alphabetical order using the town names, shall then draw another piece of paper, chip or other suitable device numbered 1 through 3 (or more) from a closed container. The team drawing number one will have first choice of the envelopes, the team drawing number two shall have second choice and so on until all envelopes have been chosen. The envelopes shall not be opened until each team has chosen. The team that chooses the envelope with the number one shall be awarded the position. If more than one position is in dispute, then the team drawing the number 2 shall be awarded the next position and so on until all playoff positions are filled.
6. NOTE: Tiebreakers are applied in order (head to head, record among common opponents, strength of victory, strength of schedule, coin toss or blind draw). At no point will the process revert backwards.

b. The post-season will involve three (3) weeks in which seeds one (1) through six (6) may play for a chance at the Super Bowl. The #1 seed and #2 seed will have a 1st round bye. Seeds seven

(7) through fourteen (14), or until there becomes an odd team out, will play a post season bowl game during the 1st week of the playoffs in a format of #7 vs. #8, #9 vs. #10, #11 vs. #12 and so on as applicable. If there is an odd number of teams in a specific division, the lowest remaining seeded team will be eliminated from the post season bowl game format. The bowl format seeds #7 and #8 will play in the Platinum Bowl, seeds #9 and #10 will play in the Gold Bowl, seeds #11 and #12 will play in the Silver Bowl and if possible, seeds #13 and #14 will play in the Bronze Bowl.

c. In each round of the playoffs, the higher seeded team shall be the home team unless they request other arrangements.

d. Playoff games within each division shall be scheduled on a Sunday at the same day and time, unless otherwise agreed upon at the playoff seeding meeting by all teams in that division (i.e. the #3 & #6 seed game shall be played on the same day and time as the #4 & #5 seed game for each division unless a different arrangement was reached by all). The Championship games shall be scheduled for either Saturday afternoon/evening (provided the host team has adequate facilities for afternoon/evening games) or Sunday morning/afternoon. A determination as to whether the facilities are adequate (e.g., sufficient lighting) will be made by the Executive Committee of the SNEYFC no later than the May conference meeting.

e. Regular Season playing rules including the tie breaker rules shall be followed in all non-championship games

f. Any team that forfeits three (3) games during the regular season will be declared ineligible for Conference Play-offs and Super Bowl/Championship games.

g. Any cheering squad that does not cheer at their teams regularly scheduled games shall be treated as a cheering forfeit. Any cheering squad that forfeits two (2) games during the regular season will be declared ineligible for the cheerleading competition(s).

h. Any individual cheerleader who does not cheer at their teams regularly scheduled games without an excused absence shall be treated as a cheering forfeit. Any individual cheerleader that forfeits two (2) games during the regular season will be declared ineligible for the cheerleading competition.

2. Super Bowl /Championship Games

a. The 14u Division Super Bowl and the 12u, 10u, and 8u Division Championships will be played on a rotating basis between all the leagues in the Conference. If a league does not wish to host these games, that league will be dropped to the bottom of the rotating list of leagues and the next team in rotation will be offered the game. Host towns shall have the facilities to accommodate such a game. At a minimum: goal posts, visible game clock, and benches on both sides of the field. The SNEYFC shall pay for 4 referees and one official timer for all Championship Games.

b. Regular Season playing rules apply. In the event of a tie after, the four down tiebreaker rule is applied the two teams will be declared Co-Champions.

c. All receipts from the Super Bowl/Championship game fund-raisers will go to the host league to offset the costs of the games. Adults from the host League shall handle all fund raisers. All receipts from the cheerleading competition(s) shall remain the property of the Conference.

d. Each team in the Super Bowl/Championship games must provide one new ball that meets the requirements of Conference playing rules. They may select either of the balls to use when they are on offense.

e. The home team for each Super Bowl/Championship shall be the highest seeded team based upon the playoff seeding bracket.

I. Awards

1. Football Team Awards

The Conference will award trophies to the winner and loser of each Super Bowl/Championship game. In the event of a tie, both teams will be awarded a trophy. If funds are available, pennants will also be purchased for each Super Bowl/ Championship winner. All trophies will be awarded after the Super Bowl/Championship games and will be retained permanently by the winning (tied) teams, with the exception of the Kevin Devine Memorial traveling trophy. 2. Cheer Awards

The Conference will award to the winners of the cheerleading competition(s) as follows:

Participant Legal Liability	\$1,000,000 minimum
Excess Accidental Medical/Dental	\$100,000

Additionally, each league is required to carry insurance covering their cheerleader's participation in the SNEYFC Cheerleading competition(s)

2. Proof of Coverage

If so desired, the Conference treasurer will assist any league in arranging for insurance. Documented proof of insurance coverage is required from all leagues prior to the July Conference meeting. Teams failing to comply with this requirement will not be allowed to participate in the Conference until such proof is provided.

3. Spectator Liability Insurance

The conference shall be responsible for purchasing spectator liability insurance for the SNEYFC Cheerleading competition(s).

L. Player/Cheer Eligibility

1. Age Limits for Cheerleaders

a. Senior cheerleader must not have achieved their fifteenth (15) birthday prior to 31 December of the current calendar year.

b. Junior cheerleader must not have achieved their fourteenth (14) birthday prior to 31 December of the current calendar year.

c. Micro cheerleader must not have achieved their twelfth (12) birthday prior to 31 December of the current calendar year.

d. Mini cheerleaders must not have achieved their eighth (8th) birthday prior to 31 December of the current year. They must have achieved their fifth (5th) by 31 December of the current calendar year in order to compete.

2. Grade Limits

All players/cheerleaders must be in the eighth (8th) grade or lower to participate in SNEYFC activities.

M. 4 DIVISIONS (BASED UPON LEAGUE AGE)

1. 14u Division

a. Players in this division must not have achieved their 15th birthday during the current calendar year.

b. Players eligible to participate in the lower divisions (12u, 10u and 8u) are eligible to participate in this division if desired

c. Players over 150 pounds are restricted to within one (1) yard of the line of scrimmage until the ball is snapped. (Note: The Line of Scrimmage extends from sideline to sideline and within 1 yard of the end of the football in each direction).

d. Back weight = 150 pounds and lower

2. 12u Division

a. Players in this division must not have achieved their 13th birthday prior to December 1st

b. Players eligible to participate in the lower divisions (10u and 8u) are eligible to participate in this division if desired

c. Players over 125 pounds are restricted to within one (1) yard of the line of scrimmage until the ball is snapped. (Note: The Line of Scrimmage extends from sideline to sideline and within 1 yard of the end of the football in each direction).

d. Back weight = 125 pounds and lower

3. 10u Division

a. Players in this division must not have achieved their 11th birthday prior to December 1st

b. Players eligible to participate in the lower division (8u) are eligible to participate in this division if desired

c. Players over 100 pounds are restricted to within one (1) yard of the line of scrimmage until the ball is snapped. (Note: The Line of Scrimmage extends from sideline to sideline and within 1 yard of the end of the football in each direction).

d. Back weight = 100 pounds and lower

4. 8u Division

a. Players in this division must not have achieved their 9th birthday prior to December 1st

b. Players over 85 pounds are restricted to within one (1) yard of the line of scrimmage until the ball is snapped. (Note: The Line of Scrimmage extends from sideline to sideline and within 1 yard of the end of the football in each direction).

c. Back weight = 85 pounds and lower

d. There is no minimum age for this division. The low end age requirement would be dictated by each league based upon their insurance policy, internal by-laws and the assessment of skill level, capability and competency of each player.

5 Player Movement

a. Players are allowed to move up a division at any time, just like they have been able to in the past. However, if a player moves up a division they are permitted to move back down at any time. The purpose of this is to allow a player to participate in their age appropriate division but to allow that player (if potentially prepared to play up a division) to help with any roster number issues at a higher division. However, a child will only be allowed to participate in 1 game per week unless approved by the SNEYFC Executive Board or by agreement of the opposing coach (if the SNEYFC Executive Board is not available) AND only if the addition of a player or players is required to reach the league minimum of 14 eligible players on the sideline.

b. Players that move up a division for any reason will only be allowed to do so twice. Once that player moves up a third time the move will be permanent, regardless of league age. This means that once a player is active on the sideline for a game in a division that is higher than their league age division for the third time they will be required to remain at that division.

6. Declaration of Teams

a. Leagues would have until August 8th of the current playing season to declare which divisions they will be participating in for the current playing season in order for the schedule to be constructed.

b. If a league fields teams at all divisions the start times for games can be adjusted to accommodate travel (i.e., 11:00 a.m., 2:00 p.m., 5:00 p.m., 8:00 p.m.) on Saturdays. Towns that play on Sundays may have scheduling challenges at the end of the season due to daylight; however, we need to consider the proposal based upon league ages, not based upon the

schedule. Sunday games could be played at 9:00 a.m., 11:00 a.m., 1:00 p.m. and 3:00 p.m.). Other options would be to play the 8u game on a different day other than Sunday or at a different location to accommodate the towns that play on Sundays. A scheduling committee will be formed to develop the schedule for the current playing season.

c. If a league enters more than one team in a division, each team must have a minimum of 18 players on each team.

d. If a league enters more than one team in a division it is expected that these teams will be equally balanced with skill and talent. One team should not be 'loaded' while the other team is not.

e. If you are unable to field a team in the 8u, 10u or 12u Divisions, those players would obviously have the option to move up a division to play. However, these players will not be allowed to participate in another town without a waiver. If a waiver is granted in this scenario, that player must return to the league which governs where they reside for the following season (i.e., 1 year only waiver). The two exceptions to this would pertain to the Senior Division for 7th and 8th graders. If a league is not able to field a 14u Division team during the current season, 7th graders would be allowed to play for another town in the SNEYFC during the current season without a waiver (since there isn't a division for them to move up to) but would be required to return to their governing town the following season (i.e., 1 year only waiver). 8th graders in the 14u Division would be allowed to play for another league in the SNEYFC during the current season without a waiver due to the fact that they would be entering the 9th grade the following year. If a player is held back in the 8th grade they would be required to return to the governing town the following season.

f. As a minimum all leagues shall field a 14u, 12u, and 10u team. 8u teams will still be structured and will follow the same schedule of games as the three upper divisions. If a league is not able to field a team they must notify the SNEYFC Executive Board 1 week prior to the August Monthly Meeting. A meeting will then be established to determine if the league in question to determine the reason for not able to field the perspective team. If it was determine that the league had the ability to field a team (i.e. have a in house program) and they desired to not field the team then all teams with thin that league as a whole will be prohibitive from any post season play.

g. Rosters for both football and cheerleading can be expanded up until kickoff of Week 3 (not a team's 3rd game). Players who desire to participate after the official SNEYFC weigh-in, but before kick-off of Week 3 games, must be 10 pounds less than the back appropriate weight for their division to play a skilled position. If they do not meet this requirement, they will be restricted to the line of scrimmage. Football players and cheerleaders must follow all other weigh-in and paperwork requirements per the SNEYFC By-Laws and Playing Rules.

7. Limitations on Weight Restricted Players

- a. Weight restricted players are to be identified by a sticker of the same color on the front and the back of the helmet, to assist the officials in determining where the player position was at the start of the play.
- b. Weight restricted players may not kick or hold the ball for extra points or field goals. They may, however kick off after a score or to start a half as permitted by NFHS rules.
- c. Weight restricted players on kick returns are relegated to the front line only.

N. Weigh-Ins

1. Location

An official weigh-in of all participating players will be required within one (1) week prior to the season's opening game. The Weigh-In Committee will determine the time and place for weigh-ins. The League President or his designated representative shall be present at the weigh-ins.

2. Official Roster

Each team must present their official roster to the Weigh-In Officials prior to the official weigh-in. This roster must be legible and completely filled out in numerical order.

The Weigh-In Committee will not weigh the team until the roster is complete. If a team or league arrives with incomplete paperwork they will be required to move to the end of the weigh-in schedule to afford them sufficient time to complete their paperwork correctly. The President of the League is responsible to insure that all of their team's paperwork is filled out correctly PRIOR to weigh-ins. All players may be videotaped or photographed and must show their assigned game jersey(s) and a birth certificate, or other acceptable proof of their date of birth.

Fourteen (14) players must be physically able to be dressed and play in a game as scheduled. If a team cannot field 14 players on any game day, that team will forfeit that game. If the number of players falls below 14 during the game, the game may continue at the discretion of the game officials.

3. Absence from Weigh-In

Any player that will be absent on the day of official weigh-ins will be weighed in prior to that date, at the convenience of the weigh-in committee. A maximum of 12 early weigh-ins will be allowed in any combination of the 4 divisions. Any player that does not make either weigh-ins will be eligible to weigh-in before the second week of games, but will have to meet the lower weight restrictions (10 lbs less in each division) to play any skill position. (140, 115, 90, or 75 lbs respectively).

4. Official Scales for Weigh-In

All Head Coaches shall have the right to have the Weigh-In Committee calibrate the weigh-in scales prior to his/her team's weigh-in.

5. Female Player Weigh-ins

When female players are participating in weigh-ins, the player (s) shall be weighed in prior to, and separately from the male players from her league. The female player's coach(s) may be present consistent with VI.L.5. Additionally, the female player's parent may be present.

It is highly suggested that female players attend the early weigh-in hosted by the Conference. Attendance at the early weigh-in by female players will not count against the maximum of twelve (12) early weigh-ins allowed in any combination of the four (4) divisions.

6. Special Cases

All special cases concerning weigh-in will be handled by the Weigh-In Committee Chairman. Special cases do not include a player, coach, or Parent/Guardians' disregard for the importance of the designated official weigh-in date. It is important that all teams weigh-in at the same time. Evidence of a team or league applying for a special case to provide additional time for a player to lose weight will be considered cheating and will be dealt with as such. Failure to notify the weigh-in committee prior to official weigh-ins of a player being out of town, not having a ride, etc. does not constitute a special case. If a league's official roster falls below fourteen (14) players, and after trying to exercise Playing Rule VI.A.4 (Movement Between Teams) in an effort to add a new player or players to bring the official roster back up to fourteen (14) player, the Conference President must be notified in writing. The final decision to add to a league's official roster will be subject to approval by the Board of Directors.

7. Proof of Age

Birth certificates, Baptismal papers, passports, adoption papers or a military dependent ID card are acceptable for proof of age to participate as a football player. The Executive Board shall have the final determination of whether the documents provided are valid and acceptable.

O. Official Cheer Roster Validation

1. Submission Procedures

Each League shall submit to the Vice President of Cheering a complete roster of all cheerleaders for each division on the approved Conference form together with a copy of each cheerleader's birth certificate or other authorized proof of age. The cheerleaders shall be listed in alphabetical order and the proof of age documents arranged in a like manner. The roster package shall be presented in person at the August meeting of the roster validation committee. If that is not possible, the roster package may be hand delivered to the Vice President of

Cheering prior to the August meeting. If the roster package is mailed, it shall be postmarked no later than August 15th of the current year.

2. Validation of Season Rosters

Following the submission process, if a town arrives with incomplete paperwork they will be required to move to the end of all of the towns checking in to afford them sufficient time to complete and finalize their paperwork (includes mini level divisions). Any Birth Certificate found missing shall be noted on the roster form and NOT validated. The respective coach shall have 24 hours to deliver them in person or via FAX to the Vice President of Cheering in order for the cheerleader to be eligible for play during the current season. The validated roster sheet must stay with the coach at all times during games

3. Validation of Competition Rosters

Official Cheer Competition Rosters along with liability forms and Game Attendance will be turned into the VP of Cheerleading at the October Validation Meeting. Any documents if found missing the respective coach(s) shall have 24 hours to deliver them in person, or via FAX, to the Vice President of Cheering. There will be no exceptions to this requirement. Cheerleaders listed on the competition roster must have been previously listed and validated at the current season roster validation.

4. Proof of Age

Birth certificates, Baptismal papers, adoption papers, passports, or a military dependent ID card are acceptable for proof of age to participate cheer competition(s). The Executive Board shall have the final determination of whether the documents provided are valid and acceptable.

P. Playing Season

SNEYFC defines the playing season as August 1st or 4 weeks prior to the first game whichever comes earlier, through May 31st of the following year.

Football players and Cheerleaders may attend outside camps and/or clinics prior to the start of the current year's Playing Season. All outside camps and/or clinics hosted by member towns are subject to review by the Executive Board, to ensure that no unfair competitive advantage is gained by any town hosting an outside clinic and/or camp. The Executive Board shall insure that all leagues are notified of any authorized clinics/camps. Outside camps and/or clinics are defined in CIAC rules and specifically shall be other than league sponsored, open to the public and therefore open to all leagues (towns). No camp or clinic shall consist of more than 4 continuous days of instruction. No SNEYFC Coach (active, current, potential or prospective) may provide instruction or guidance in the sport of Football to prospective players for the upcoming Playing Season outside the times defined as the Playing Season. Violation of this rule will result in loss of eligibility to coach in the Conference for 1 year.

Strength and conditioning is not considered a camp / clinic. As parents and facilitators of the sport of Football in our towns, it's should be recognized that having volunteers from the Youth Football League conducting conditioning and/or appropriate strength training will have benefits that outreach just the football aspect of young athlete's wellbeing. If your town turns strength / conditioning into something that is far more like "Football Practice", eligibility to coach for 1 year in the conference will be discussed as an appropriate measure of discipline for the offending person(s).

Q. Playing Schedules

The President, or his appointed Committee, shall present a new schedule to all Conference members no later than the June Conference meeting. The Board of Directors must approve all game schedules.

R. Practice Schedules

1. Start of Practice

No teams shall begin any organized practice sessions (i.e., instruction session, blackboard sessions, tryouts, etc.) prior to the first day in August or 4 weeks prior to the first game, whichever comes earlier, of the current calendar year with the exception of the cheer squads that have tryouts.

The cheer squads will only be able to hold two (2) practices and one (1) tryout date prior to August 1st in order to properly order uniforms, equipment, shoes/sneakers, body suits, etc. Practice sessions may be held at the discretion of the individual league coaching staffs after the August 1st date.

2. Jamborees

Jamborees may be held on the weekend prior to weigh-ins for purposes of practicing under games conditions. The location and participation of teams for jamborees shall be determined by individual leagues. No league however, that adheres to these by-laws shall be excluded from participating in a jamboree.

- a. No league shall participate in more than one jamboree per season.
- b. Leagues shall determine who will be host of the Jamborees prior to the July board meeting. Each league expecting to participate in a Jamboree shall declare their intent at the July meeting to the host town.
- c. Coaches may be on the field to provide instruction

- d. Full pads and helmets shall be worn and all rules with regard to safety shall be adhered to (blocking, line play, and positional eligibility).
- e. Rules of play governing number of downs or plays, starting position, and time may be modified per participating coach's agreement
- f. There shall be no kick off or punt returns during a jamboree
- g. Age limitations for each division shall be strictly adhered to
- h. Because weigh-ins will not have taken place, coaches will be expected to exercise good judgment as to whether a player allowed to enter the jamboree is significantly beyond the weight limitations either for their position or division. If there appears to a discrepancy the opposing coach shall end the scrimmage immediately until the discrepancy is resolved. If the discrepancy is not resolved, then that jamboree at that location is over for that division.
- i. The Executive Board and the Board of Directors shall be empowered to discipline offending coaches, leagues and players for failure to follow these rules or to follow the Coaches Code of Conduct as they see fit.

3. Scrimmages

The SNEYFC recognizes the need for some towns to offer instructional scrimmage games ("B" games) to accommodate towns with larger player numbers to player that are not as advanced in skill or size to play competitively within the four divisions. These are with coaches on the field. They may be played under regular game format or under controlled scrimmage format, decided by the participating coaches prior to the start of the game. If no agreement can be reached, regular game rules for that division will apply.

Any player that will be participating in scrimmage games ("B" games) must attend the SNEYFC weigh-in for that division.

S. Amendments to By-Laws and Playing Rules

1. Submittal of Proposed Changes

Proposals to change these By-Laws and Playing Rules must be submitted in writing to the Chairman of the By-Law Committee no later than the February Conference meeting. The By-Law Committee prior to publication will study all changes.

2. Publication of Proposed Changes

The By-Law Committee shall study the changes proposed in accordance with paragraph VI.P.1 above, and publish them at the March Conference meeting along with a recommendation for

their disposition. They may be discussed and modified at that time, but no additional (new) By-Law changes may be added from the floor.

3. Voting on Proposed Changes

Voting on the published proposals shall occur at the April Conference meeting.

4. Changes during Playing Season

a. Changes to the Playing Rules, deemed to be in the best interest of the Conference, may be requested and made at any time during the year (playing season), provided they are submitted in writing to all Conference members prior to the Conference meeting that the Rule Change will be reviewed, discussed and voted on by the Conference Board of Directors.

b. Any Playing Rule submitted after the February meeting shall require a unanimous vote in the affirmative to be passed for inclusion in the current season.
