Addendum A: Player Handbook, Play Time Policy & Uniform and Apparel

This Addendum is incorporated into and made part of the Tsunami Volleyball Player Agreement for the 2026–2027 season. Players and parents are required to read the complete online [Player Handbook](#).

Player Handbook Highlights

All Tsunami Volleyball players are required to observe the guidelines and rules set forth in the online Player Handbook. Two major highlights are summarized below.

1. The 24-Hour Rule

There shall be no communication with coaches regarding playing time during tournaments. All communication relating to playing time must wait until at least 24 hours after a tournament has concluded. This rule applies to both parents and players without exception.

2. Conflict Resolution Process

Should any issues arise during the season, all parties must follow this process in order:

Step 1 — Player and Coach meeting to discuss the concern. Players are encouraged to communicate directly and advocate for themselves before parent involvement.

Step 2 — Player, Coach, and Parent(s) meeting to address further concern.

Step 3 — Player, Coach, Parent(s), and Location Coach Director meeting.

Step 4 — Player, Coach, Parent(s), Location Coach Director, and Tsunami Board Member.

Play Time Policy

Playing time rules are in effect at each level. Each Player is responsible for earning her role on the team. The 24-Hour Rule (described above) governs all conversations with the coaching staff regarding playing time.

Elite: 100% play to win while in contention for gold or a USAV bid. All play time must be earned in practices.

National: Play to win while in contention for gold or an AAU bid. All play time must be earned in practices.

Regional / Premier: Fair play time during pool play. Play to win in bracket play while in contention for gold. “Fair play” is not necessarily equal playing time.

ATL: Equal play time. Please note that “equal play time” may look different depending on a player’s position.

Uniform & Apparel Replacement

Any apparel or jerseys that are lost, damaged, or incorrectly sized during the season must be ordered directly through Ren Athletics at the family’s expense. Tsunami Volleyball does not maintain in-house inventory. For issues, questions, or concerns regarding the Ren uniform package or replacements, please contact: **Heather Stanton:** heather@tsunamivolleyball.com or **Amanda Gomez:** agomez@tsunamivolleyball.com
