Student Skills Evaluation

Student skill evaluations will be done throughout the year. Coaches will be making a point to talk with each parent throughout the year as well as keep each of their student's skills updated in Jackrabbit accounts. You can view the skills via your Jackrabbit login.

These records will be passed along from month to month making it easier to see progress throughout the year!

Coming Soon!

TCT will be introducing a new Trampoline and Tumbling program to our Brooklyn Park Location. The new program will be headed up by David Carlson. David has many years of experience in T & T and we are excited to have him.

Please Refrain...

Please refrain from talking to your children while they are in class. Coaches work hard to keep students moving and involved and talking to your child can be a distraction not only for your child, but for other students in the class and the coach as well.

Sometimes it can be the student who wants to run out of class to talk to you. Please encourage your child to stay with the class and listen to their coach. A student who continually leaves class can become a safety issue.

Open Gyms Are Back!

TCT/Ninja Zone is now offering open gym and preschool open for members and non-members nearly every week. Members can even sign up in advance via the Jackrabbit parent portal. *All open gyms are at our Brooklyn Park location unless otherwise noted.

Ages 18 months to 6 yrs <small>(parent must accompany ages 5 & under)</small>	Ages 6 & up
