

# Central Vermont Youth Hockey Family Discount Policy

## Eligibility

Families who register two or more players in the same season are eligible for a sibling (family) discount.

## Discount Structure

- A 10% discount will be applied to each additional child's registration fee.
- The highest-priced registration will be charged at full price.
- All subsequent eligible family registrations will receive a 10% discount.

## Exclusions

- The 10% family discount does **not** apply to:
  - Learn to Skate / Intro to Hockey
  - 8U House

## Registration Requirement

To help the organization identify sibling registrations and apply the family discount accurately, families are encouraged to register all players within the same transaction.

During registration:

- After adding the first player, select **“Register Another Player”** on the Review Page.
- Continue this process until all family players are included in a single order.

## Multiple Registrations

If family members are registered in separate transactions (e.g., at different times), the family still qualifies for the discount. However:

- It is the responsibility of the family to notify the Treasurer to request the family discount. [[Treasurer@blackbearhockey.org](mailto:Treasurer@blackbearhockey.org)]
- Upon verification, the appropriate discount will be applied as an account credit.

## Important Notice

- Registering players in separate transactions does not disqualify a family from receiving the discount; however, failure to notify the Treasurer may result in the discount not being applied.

## Discount Application

- Family discounts will be issued as a **credit to the family account** after registration is completed and verified.

## Policy Changes

Central Vermont Youth Hockey reserves the right to modify this policy at any time. Updates will be posted on the Black Bear Hockey website.
