Touchdown Club

Pre-Season Checklist #1 June 2, 2020

Hello Puma Nation! The information is coming fast and furious now so please bear with us on the emails over the next month or so. We will send out checklist style emails so you can make sure you are covered in all areas of preparing for the football season.

REVISED IMPORTANT DATES

Please review the Revised Important Dates. There are several changes, most notably the off week and football camp week. Incoming Freshman, please note that you will see "camp" to describe a couple of different activities we do. Summer workouts/weights camp will be the morning practices during the month of June and early July. Football camp/Coaches camp the week of July 13th references when the team usually goes to Show Low for football camp. Due to the pandemic, we will be staying local this year. More details on that local football camp will be available soon! The dates are subject to change.

[Revised Important Dates](#)

SUMMER WORKOUT REGISTRATION

Summer workouts begin on June 8th and registration is open! Please register your player for the appropriate level and complete the required waivers provided on the registration site.

Waivers should be printed, signed and brought to the first day of workouts. To avoid any confusion on the site: Incoming Freshman is purple, JV is green and Varsity is orange.

ATHLETIC CLEARANCE

CUSD requires all athletes to get a physical and complete athletic clearance. This is very important and contrary to the AIA suggestion that physicals may not be needed this year. No equipment will be checked out unless athletic clearance is complete.

You may have any provider complete the physical, however, the forms must be from the AIA (link below).

Step One - Download physical paperwork and complete any parent/athlete sections.

AIA Physical Evaluation Forms

Step Two - Go get your physical. Please note that athletes getting a telemedicine physical must have a "wet" signature from the physician if at all possible (scan, mail, etc.). If an electronic signature is the only option, a stamp or certification must be provided.

FastMed Physical Coupon

Step Three - Complete your online athletic clearance at the website below. The website will only accept football registrations from 7/1/20 - 7/17/20.

Register My Athlete

EQUIPMENT

Stock up on Blues and Greys by ordering at our Puma Wear Online Store. Limited

Get a good deal on white cleats and other equipment through BSN Sports.

Interested in purchasing your own helmet and/or shoulder pads? Please click on the
