

Please explain why you wish to become a RAHA Board member:

I would like to get involved with RAHA to be able to have a voice when there are areas that I do not agree with. I think that there is room for improvement in several different aspects and my experience in dealing with businesses helps me to be able to see areas that are not run efficiently or fairly. My goal in running for a spot on the board is to be able to help make change where it needs to happen, to be able to be a voice that parents feel comfortable coming to and to be able to continue to help Rosemount's mission of #growfromwithin.

What specific talents/skills would you bring to the RAHA Board?

I work as a business advisor and my responsibilities include helping businesses run more efficiently, be more profitable and increase employee engagement/ satisfaction. My experience in these areas can cross over to RAHA in many areas.

I am proficient in all office software and a lot of design platforms.

I was responsible for taking on a large fundraising adventure for Tanner's team a year ago and was able to secure \$3000 in fundraising dollars by coordinating the sale of a Rosemount branded "Love Your Melon" hat.

Which RAHA Board Position/Committees would you like to get involved with (Equipment, Goalie Coord, Age Level Coord, Operations, Finance, Fundraising, etc)?

I would be interested in equipment, operations, finance and/or fundraising.

Please describe your past experience (volunteer, manager, coach, etc.) within the RAHA:
I have been a manager for the past 4 years, two at the squirt level and now two at the Pee-Wee level. While being a manager, I have been responsible for the team schedule, setting up scrimmages, fundraising, budget, communications, among many other areas.

Please describe other board experience, youth program experience, or areas of community involvement:

I was a developmental and high-level gymnastics coach for many years back in college. I was responsible for building the tumbling portion of our gym's traveling team show program. We were nationally acclaimed as the number one halftime in the NBA for many years and the team served (still do) as the Official Goodwill Ambassadors of the state of North Dakota.

Please identify any potential areas that may be a conflict of interest with any business or other association you may be associated with and your duties as a RAHA Board member:

None.
