

Dana Reiss Bio

My name is Dana Reiss and I'm the owner of Pitching with Dana, LLC. I have over 11 years of experience teaching softball pitchers ages 6-20 years old.

I gave my first lesson when I graduated high school and since then I have coached 4 seasons of JV softball at Adams High School in Rochester, started two developmental travel teams from scratch, learned and continue to learn from some of the best instructors in our game from all over the country, opened my own facility in 2020, and I have worked with over 1,500 pitchers from multiple states and even as far as the Bahamas when I coached clinics on the softball cruise back in (pre-covid) 2020, August 2023, and August 2025.

I can't wait to chat about all things pitching at this convention! See ya there!
