- 8) Old Business:
- 9) New Business:
 - a) **Look into maybe adding something into our sports handbooks that if they get thrown out of a game, they will be suspended the following game. This is the rule in Section 2 and would only make sense for us. Some of our leagues and contests have real umpires and judges and it would only make sense. We can't have the people who are supposed to be role models and head figures being thrown out without any repercussions.**
